

## Welcome to The Weston Centre (Clinic 31)

**The Weston Centre (Clinic 31) looks after children from 0-18 years of age.**

The children coming to the clinic have Diabetes or Endocrine problems.

### Directions:

Car park two is closest to the clinic. Follow directions to the 'ATC'. Once in the ATC, the clinic entrance is through the doors to the right of the lifts.

When you get in to the clinic, let the receptionist know that you have arrived.

### Opening times:

The clinic is open from 09:00 until 17:00.

### Who will I be seeing?

You may be seeing a doctor or a nurse whilst you are in clinic. They will be able to tell you what is happening.

### Food:

There is a coffee shop just outside the clinic for you to get some food after your appointment if you want to.
