

You can take a picture of your bones  
home with you!

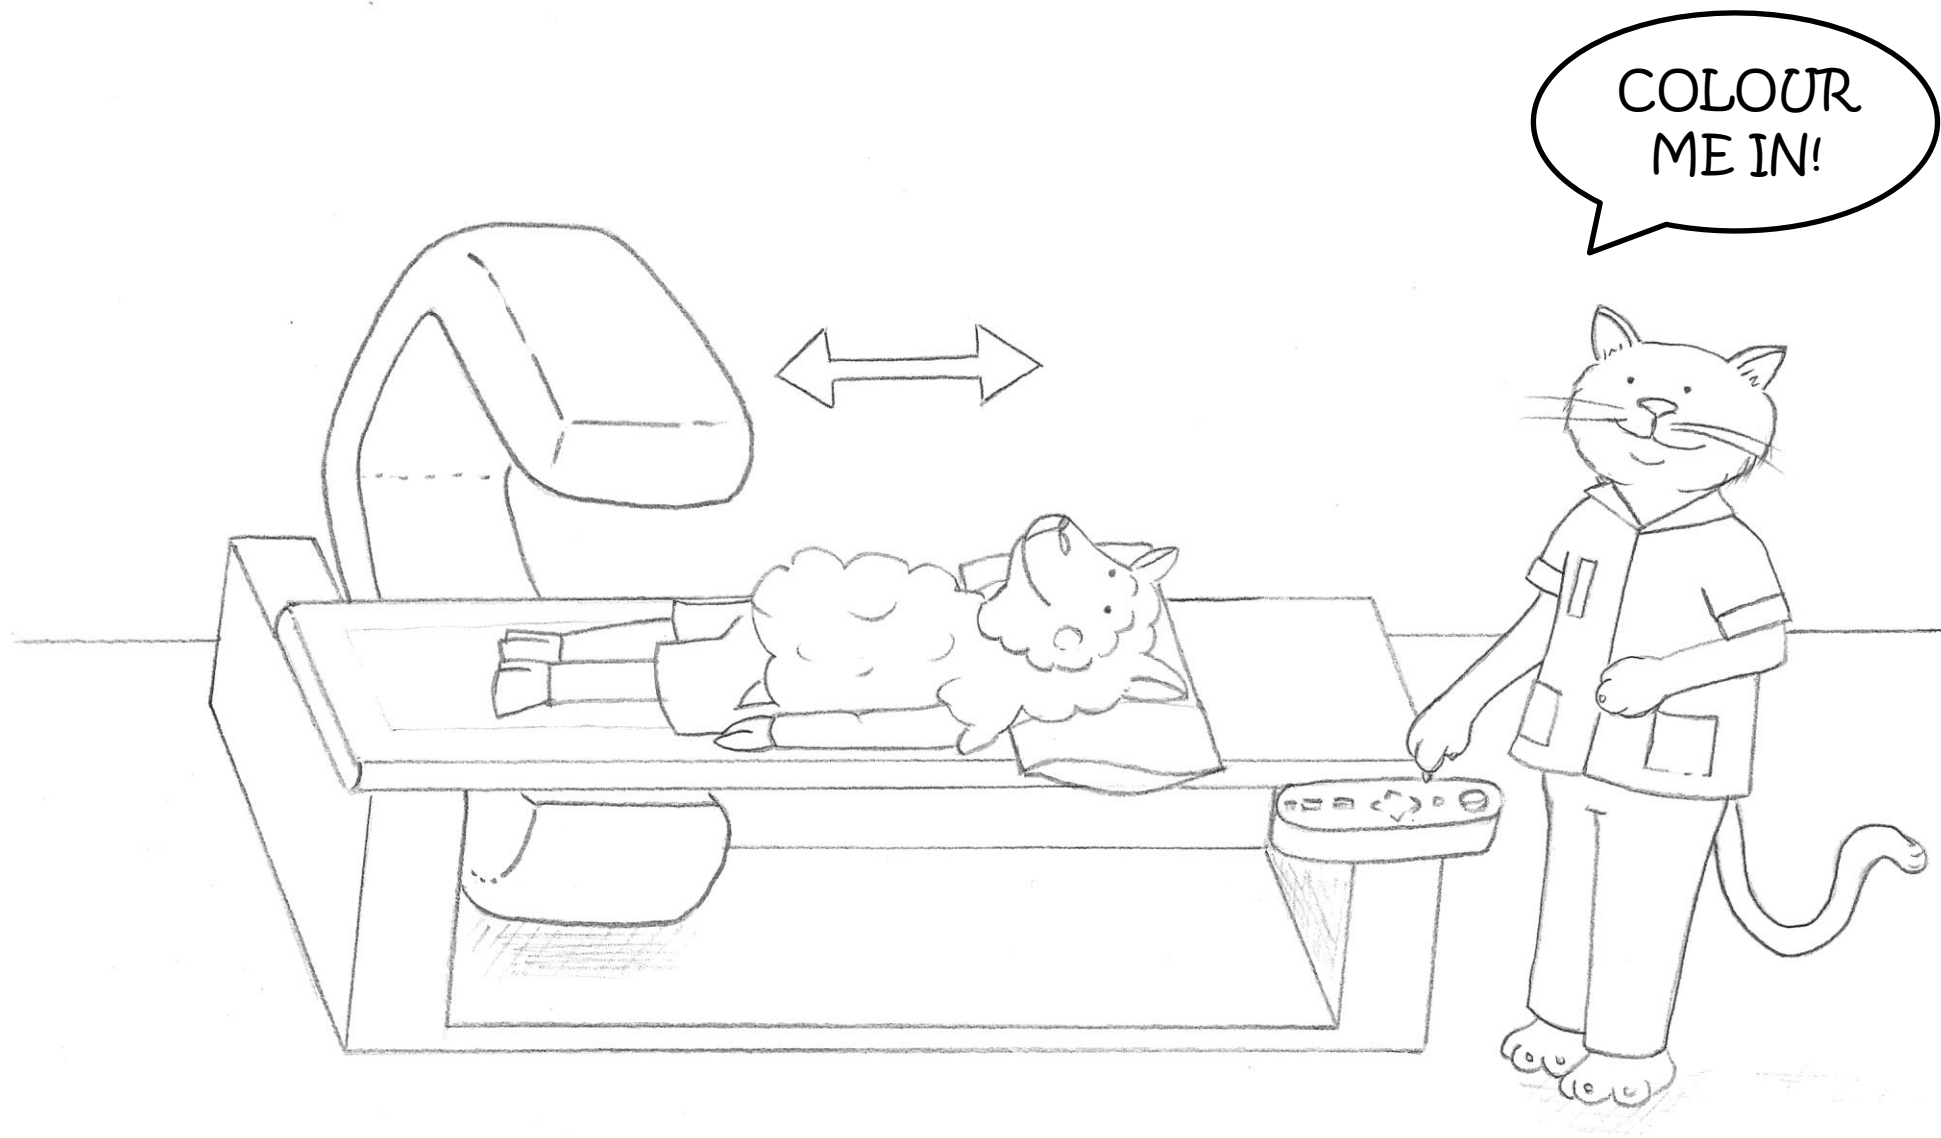

Well done for keeping really still  
Sammy, you were a superstar 😊

## Having a DXA scan at the hospital

Sammy sheep is coming to the hospital for a  
DXA scan. The doctors want to see if  
Sammy's bones are nice and strong.

Sammy has to lie really still on a bed. The machine will move around Sammy, it is a bit like a fairground ride! Can Sammy keep really still?

# SUPERSTAR CERTIFICATE

This is to certify that .....  
has been a superstar today while having an  
DXA scan, and kept really still!
