Join our listening session for patients with a disability and their carers/families.

VoiceAbility

We are collaborating with the Speak Out Council from Voiceability. They act as a voice for autistic and people learning disability

Speak Out Council

Find out more about the Speak Out Council:

VoiceAbility | Speak Out Council.

Your feedback will improve access to our services for current and future patients.

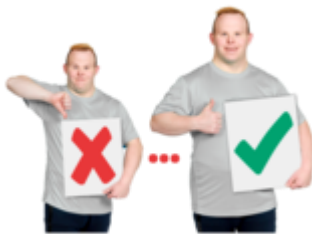

We will discuss:

1. What is going well?

2. The challenges?

3. What can be improved?

We want to talk about care in the following three services.

1. Imaging - For example: CT, MRI and X-ray scans.

2. Surgical ambulatory care.

3. Day surgery.

The Surgical ambulatory care and the Day surgery unit provide day care treatments.

We will run the session on **Monday 27 February at 12:30 -14:00.**

The listening session will last 90 minutes. It will take place online via **Microsoft Teams.**

Live captions will be enabled in the meeting.

Please tell us if you could attend by emailing cuh.foundation@nhs.net.

Let us know if you need any support during the session. For example; a British Sign Language interpreter

We look forward to hearing from you!

Kind regards
