

Illegal parking

Addenbrookes and the Rosie hospitals share a very busy site, and we cannot risk roads being blocked by illegally parked cars. The following parking rules apply:

- No parking on double yellow lines or yellow cross-hatched areas.
- No parking on the grass.
- Any vehicle parked on the Addenbrookes site that causes a potential obstruction for emergency vehicles, will be physically moved and issued with a Parking Charge Notice.
- Only disabled badge permit holders clearly displaying the blue badge permit and time clock are allowed to park in Disabled parking spaces on the Addenbrookes site.
- All vehicles must be parked within the marked bays only.
- On-site parking is restricted to 24 hours.
- These rules apply 24 hours a day, seven days a week.
- The owner of any vehicle that causes physical damage to property on the Addenbrookes site will be liable for the full cost of repair/reinstatement of the damaged property.
- Disabled permit holders parking within barrier-controlled Trust car parks are liable to standard car park fees.
- Anyone who parks their vehicle in breach of the published rules is liable to be issued with a parking charge notice (PCN) without warning. The current Parking Charge Notice is £30 in the first instance if paid within 7 days.
