Referral Information

New baby or antenatal mother referrals

If you wish to refer a new baby or antenatal mother, please phone the nursing secretary on 01223 596 272. At weekends and bank holidays please phone this number to access the on call Clinical Nurse Specialist.

You can be referred to Cleft.NET.East if you fall in the east of England catchment area. This includes Cambridgeshire, Norfolk, Suffolk, Hertfordshire, Bedfordshire, Peterborough and Northamptonshire.

Children's referrals (Speech and language therapy)

If you wish to refer a child for speech and language therapy please contact your community speech and language therapist or your GP who will arrange a referral.

Adult referrals

If you are an adult wishing to have further assessment or treatment by the cleft team, please ask your GP or dentist to write to us.
