Visiting times leaflet

Ward A3 is part of a regional neurosciences unit. We specialise in caring for patients who require surgery or treatment for conditions relating to the brain and spine.

Finding us:

Ward A3 is on level three of the A block at Addenbrooke's, which is between the main outpatients centre and the main reception (entrances are on level 2). Ask at either reception for directions.

For security, there is an intercom at the ward door.

If you are likely to be hospitalised for two weeks or more, your visitors can get a discounted parking ticket from the main reception. This allows you to exit from the car parks for 14 consecutive days from the day you validate the ticket.
