### Finding us:

Ward L4 can be found on level 4 of the Addenbrooke's Treatment Centre.

From the main hospital entrance: To access the Atrium and the ATC reception desk, staff and patients should continue down the 'clown' corridor on level 2, walk past the Rosie turning and into the Atrium.

The passenger lifts are situated across the Atrium on the right hand side, opposite the day surgery.

Located off the Atrium are two sets of stair wells; one is located through the set of double doors adjacent to the passenger lifts, the other is situated on the other side of the Atrium opposite the payphones.

Take the stairs or lift to level 4. The reception desks for ward L4 and M4 are located in the hall outside of the lifts.

If you are likely to be hospitalised for two weeks or more, your visitors can get a discounted parking ticket from the main reception. This allows you to exit from the car parks for 14 consecutive days from the day you validate the ticket.
