The Society was founded in 1919 exhibiting works in black and white, promoting fine drawing skills. Nowadays members are encouraged to include the use of colour in both traditional and contemporary media. We hope you enjoy the huge variety of styles and themes on display here at Addenbrookes.

**All the artwork is for sale** – please contact Addenbrooke's Arts on **01223 217519**. 25% commission on sales goes towards running the Arts programme.
