

Announcement of COVID-19 related death

31 March 2020

Roland Sinker, Chief Executive, for Cambridge University Hospital NHS Trust said:

“We can confirm that sadly, two patients over the age of 70 with underlying health conditions have passed away at Addenbrooke’s Hospital. They had tested positive for COVID-19.

“Our thoughts and condolences remain with the patients’ family and loved ones at this difficult time.”

Ends

Notes for editors

- The Trust, DHSC, NHS England and NHS Improvement will not be giving out any further information on this patient.
- The media are asked to respect the wishes of the families, and the interests of staff at the hospital to avoid any disruption to operational services.
