D10 is an 11 bedded isolation ward for patients that have an infection that requires the specialist knowledge and care from the Infectious Disease Team. Each of the rooms has toilet and shower facilities, a fridge and Hospedia, a 'pay per view' system installed at each bedside unit that includes telephone, television and radio.

**Finding us:**

Ward D10 can be found on level 10 of the hospital.

From the main hospital entrance: Upon entering main reception turn right into the concourse and bear left towards the lifts. Take the lift or the stairs directly to level 10. On leaving the lift turn left, Ward D10 is in front of you.

If you are visiting a patient who is likely to be hospitalised for two weeks or more, you can get a discounted parking ticket from the main reception. This allows you to exit from the car parks for 14 consecutive days from the day you validate the ticket.
