Box number:

259

Visiting times:

No flowers allowed

Please be aware that visitors may be asked to leave at any time to enable important care to be delivered.

Visiting times leaflet

We care for people undergoing investigations and treatment of disorders affecting the blood or bone marrow.

- Many patients will have already received inpatient treatment, but will continue to require treatment or review at the unit following their discharge
- The wards and the Day Unit work closely together and you will be cared for by the same group of doctors in both areas

Finding us:

The Haematology Day Unit can be found opposite the main hospital entrance. Approach the main entrance, but do not enter and instead follow round to the right - the entrance to the unit is in the corner (opposite the main entrance).

Please speak to the ward staff concerning discounted parking.
