Ward N3 has 25 beds, nine of which are side rooms. It contains a respiratory unit to care for patients who require non-invasive respiratory ventilation.

Finding us:

Ward N3 can be found on level 3 of the hospital.

From the main hospital entrance: Turn right as you enter through the revolving door at the hospital main entrance, turn left and walk past the hairdresser, across the corridor and past ward D2 (on your right). Take the corridor in front of you, signposted F and G wards. Head down the F&G ward corridor until you reach a T junction. Turn right and follow the corridor until you get to some lifts. Take the lifts to level 3.

The N wards have a main external entrance located on Robinson Way - in between the main entrances to the Rosie hospital and the MRIS unit.

If you are likely to be hospitalised for two weeks or more, your visitors can get a discounted parking ticket from the main reception. This allows you to exit from the car parks for 14

consecutive days from the day you validate the ticket.
