Parking

Parking is available in the main hospital car park with a fixed price for attending outpatient's appointments. These concessionary tickets are available from the customer service desk in the main Hospital car park (located at the car park exit). Proof of appointment/s will be required. There is also parking available at off-site Park and Ride Facilities.

If you are parked in the main hospital car park and need assistance with transport, a courtesy bus is provided every 20 minutes between 08.30 and 16.30. It stops outside the main entrance to the outpatient's hall. It can accommodate one wheelchair at a time.
