Chaplaincy

The Chaplaincy Team is always available to provide pastoral care for all patients, staff or families.
Chaplains can assist families, patients and staff in coping with psychological, social and spiritual aspects of health, sickness and life issues, including death. They are also able to contact ministers from other faith groups if this is requested. **Their support is confidential, non-judgmental and available to all.**

The chapel (accessed via the concourse or the Rosie corridor) is always open for quiet prayer or reflection and services are held on Sundays (11:00 morning worship and Holy Communion), Mondays (12:00 catholic mass), Wednesdays (1215 midweek service) and Fridays (13:00 Muslim prayers).

The chaplains can be contacted during office hours (Monday to Friday, 09:00 until 17:00) by calling the administrator in the chaplaincy office (along the corridor to the Rosie) on 01223 217769 (internal 3769). At all other times please call the hospital switchboard and ask for the ‘on call’ chaplain.
