A Patient’s side  left / right  or  N/A

Consultant or other responsible health professional

Name and job title: ........................................................................................................................................

☐ Any special needs of the patient (e.g. help with communication)? ................................................................

Please use ‘Procedure completed’ stamp here on completion:

B Statement of health professional (details of treatment, risks and benefits)

1 I confirm I am a health professional with an appropriate knowledge of the proposed procedure, as specified in the hospital’s consent policy. I have explained the procedure to the patient. In particular, I have explained:

   a) the intended benefits of the procedure (please state)
      • Attempt to improve headaches through lowering blood pressure in the head by improving blood flow out of the head

   b) the possible risks involved. Addenbrooke’s always ensures any risks are minimised. However all procedures carry some risk and I have set out below any significant, unavoidable or frequently occurring risks including those specific to the patient
      • Bleeding
      • Limitation of tongue movement
      • Infection
      • Tinnitus
      • Pain
      • Dizziness
      • Numbness of ear
      • No improvement
      • Scar
      • Further surgery / stent
      • Facial weakness
      • Hoarseness of voice
      • Reduced hearing
      • Shoulder weakness
      • Difficulty swallowing

   c) what the treatment or procedure is likely to involve, the benefits and risks of any available alternative treatments (including no treatment) and any particular concerns of this patient:
Consent Form

Jugular Foramen Decompression

d) any extra procedures that might become necessary during the procedure such as:

☐ Blood transfusion  ☐ Other procedure (please state)

2 The following information leaflet has been provided:
